

SAIMAA CULTURE & NATURE

Puumala archipelago route - cycling 1 night package

Puumala archipelago route is a popular 60km cycling route around Saimaa archipelago. You will be meet at Hurissalo shop the local GuideTiina, who provides you the bikes for the trip and all the instructions needed. In the beginning of the route the Norppa-ferry takes you to Lintusalo island. On the way there are several places where to stop for a coffee or for a meal. There is even a winery on the way. Puumala village is a lively small village as well on the way. In the end of the day you will arrive to a cultural historical Pienniemi-farm next to Lake Saimaa. Here you can feel the true spirit of the nature. GuideTiina will serve you an evening snack at the farm and you will get a good night sleep after the Finnish sauna either at old croft or at the cottage. After breakfast you have some 10 km left to cycle back to Hurissalo. Photos: Juho Kuva/Visit Finland
